COMING HOME, BUILDING HOPE CAPITAL CAMPAIGN

Incredible Progress!!
BY PAM BIERKE
We have made incredible progress over the past month, raising an outstanding $2,260,629! We continue to make significant strides and are exceeding 90% to goal! Thank you to the 85 individuals and organizations who have made the mission of Anna Marie’s Alliance a priority.

Reaching for New Heights - Impact Fund!
Thanks to the extraordinary generosity of our donors to Anna Marie’s Alliance’s Coming Home Campaign, we have nearly achieved our original campaign goal of $2.5 million.

When setting the $2.5 million goal, AMA board leaders were conservative in their estimation of what would be possible, knowing that some needs would likely have to go unmet. But the community has stepped up beyond our imagination! This outpouring of generosity is making it possible to expand the project beyond basic construction costs to include additional quality of life components and financial resources that will put the mission of Anna Marie’s Alliance front and center.

We cannot wait to share more in the coming days about our new IMPACT FUND and the $700,000 stretch goal that will support all of life and sustainability efforts, such as creating a safe playground and walking path for children and families at the shelter and other needed components to make this new space and our organization the best it can be for decades to come.

Stay tuned for a VERY EXCITING announcement we will share as we roll out the Impact Fund Initiative to carry our fundraising efforts forward through 2023!

A Moment with the Chair - Donor Spotlight with Tom & Janet Grones
Anna Marie’s Alliance is very fortunate to have the support of Tom & Janet Grones, who provided a generous $60,000 donation for the Coming Home Capital Campaign. I had an opportunity to connect with Tom & Janet and hear more about their commitment to Anna Marie’s Alliance.

What do you think Anna Marie’s Alliance is known for in the community?
Anna Marie’s provides such an important haven for those single adults and families caught in a spiral of domestic violence.

With a successful campaign and completion of this renovation/expansion of the shelter facilities, how do you think the experience survivors of domestic violence have at Anna Marie’s Alliance will change?
The successful completion of the building renovation will allow families in the midst of trauma a safe opportunity to heal and move ahead with their lives. The new facilities will offer an environment that can provide the privacy needed to cope with the trauma adults and children face when confronting and fleeing an abusive home life.

Supporting Anna Marie’s capital campaign will do so much good for not only those in need, but for the community as a whole.

Thank you to Stearns Bank for sponsoring Anna Marie’s Alliance Capital Campaign at their summer family picnic! Together, team members put together an outstanding 59 themed gift baskets for raffle, raising $6,049!
